

Green Earth Ice Melter™

Corrosion inhibited ice melt

BENEFITS

- Our own time-tested blend / NEW IMPROVED CRYSTALS
- Green Earth Ice Melter™ is a blend of specialized ice melters – using Salt Saver™
- Safer on roads and sidewalks than rock salt
- Low toxicity (LD50)
- Less damaging to concrete and vegetation
- Quickly penetrates and dissolves snow and ice
- Green color to make spreading material easily visible
- Non-staining to concrete, asphalt, and shoes when used properly
- DUST FREE – does not create harmful dust that can cause breathing irritation

PERFORMANCE

- Works down to -25°F
- Compare with calcium chloride, and magnesium chloride – at a much lower cost
- Each crystal granule of ice melter is blended with Salt Saver™, a liquid de-icer, which gives Green Earth Ice Melter™ superior performance
- Increased corrosion protection to equipment, and reduced environmental impact.
Apply 5-7# per 1000 square feet

(SAFE High Performance – Low Cost)
